

January 2018  
Tips, Strips and Friendships

Greetings Coheco Members!

To welcome you back and to usher the New Year of programs in, we are looking forward to an engaging member- mixer evening of game fun, fabric exchange and the sharing of tips and tricks of our quilting passion.

Please bring a minimum of 3 strips (2 ½" X 44 ") of fabrics: color scheme Green and Blue. We are thinking of the coming green Spring to fight Winter blues...

Also, please bring a quilting/sewing tip or trick that you would like to share with the guild members. It would be helpful if the tip was written out, such as on an index card.

On behalf of the Program Committee, here's to another incredible and delightful quilt extravaganza year together!!

Can't wait to see you! Blessings!

Mitzi Horne,  
Chair
